will creek Word Great Latt Stake Valey April 10 1 1857 Tournat of Archibald Gardner & ABreij acount of my life before this Octi I was Born in Kilsyth Stirling I hire Festland My Father Name was Robert Gardner Son of William Gardner & Cristin Henderson He was Born at a near Huston town, Acteur And his frefather before him was also born near the same place he was Born in the year 1781 Moch 12 m. My Mothes Nome is Margret Calinder Daughter of Archibald Colinder & Morget Ewen Born She was Born at or Four Falkirk town Willing thire Scotland in the year 1975 in Junuary My Father Maried My Mother in Glasgow between the age of 19 & 20 years of Age their first child was Margret my Lister the Vied aged get Month & 9 Days by Small Pox My Brother William was Born in Slasjon in the year 1803 My Lister Christen was Born in Glasgow & Died aged 15 Month & Some Vays with the bregs of Hooping Cough My Fister Mary was Boin in Killyth Stirling there Scotland in the year 1807 the My Lister Margret was Born in Stillyth Holling Shire Scotten West & Vied Alirling there Scotland about the year 1812 & Dies in Valhousie Buthurst istrick! Conada west or upper connada october 1824 the Hext was I gan Horning was Born Dead at 8 Month I being Next was Born at the Garril Mill Killyth Hirling Shire Scotland in the year 1865 Hayst The Next was A girl Born bead at & Month My Brother Bobert was Born Seils yth Abriling there Rollow in the year 1819 oct 24th My Father & Brother million & Lister Mary Emigrated to America in The Spring of 182 & My Mother Fister Fornet with Myself reaited one year expecting to follow the ensuing offering but not hearing any acount only those that would Discourage The My Mother Told out & Starte your For as Glasgow leaving her Lister Lishman & Ann who followed her at Day with I letter from my Father which had been wrote ofter he had t date acords the ocean only my Lister Mery had nearly bied of Amal of the Ship and there was no acount of which way he theered to we all Starte word the Buchinham for Debeck Posage of five weeks & 3 Days and heard THE REPORT OF THE PROPERTY OF

Nothing of Father & the Rest until we arive on Respect above Montreat where he hearing of the wives of 25 Men that had left the same way is my Father Did togo and Le the country and if it suited to Roise cresp for their Tomilys he Started on fort it being 172 Miles from where he took up Jand and Met us there at Laid Prescot IMention this The more Particular as that was I lime long to be Remembered we traveled to Miles where My Brother williams was working for I Mon by the Name of Gray we got there at Noon when the Men was Coming in to dinner and the woman of the house wishing to de Them Meet Colled Mother to Le which of these Men was William he being about 18 years old and havin one year growed to tall that before They Come to the Tour the Work Thomas Reid to him his clothing considerable ingured by wear his Rotch Bonnet or Cap holes in it his face was Aunibiurned and the did not at first Know him he in turn Paid no atention not expecting we was in America but on Turning Round They all Burstinto tears and although, only 8 years of age will never forget this Meeting and my Lathers, we had I good time of Started to Brockvill & that Might got June 20 Miles from Brescot William Lewing his, & come home with as my Brother Carried me on his Back Some of the time & Father Corned me Some of the time and oneso or Twice My Mother Corried me on her Book when some of the Best Carried Bohert My Brother for her which she had carried must of the time he being I and hulf years it and not recomed yet, we arised in Oalhousie where my sister Mary had Staid and took care of the Place while my Father was come to meet us the Corneing out of the little Fog Slouse heard us coming & Ruin through the wood on the fort Oath to meet us but Comeing up with her little Doy Snoop on Leing us Burso into tears & Returned to Shouty, where we all come up and had another Toyfull time haveing all got Jule through the Mercy & Blesing of Jud to of home in shows. of America where liberty & Race & A Prospect of Plenty & A free home of our own was A Joy that filled every flest ofter the long Alesense which was nixed with I'm Is many hopes of eurs. To Return to my Father he was Brought of goodly Paren the being the youngest of Mirrheen his Father being on Elder in the Fresbetenin Church he was Bound out to Learn to be at Slowe Corpenter & comenced working Fourney work he when young after being Murie few years he Comenced Keeping Grocery & Laveren Reching he their Rentered the Garriel Mill from the Connal Company Juhere Jugs A Will Course Staves or ju Tour me Such Stuff as that but the had no other while

But limes got Poor Buisneys became Dull & The People got Diffsatisfied with the Government Meetings were beld even Privately in our own house or Laveren Kirmish after & Kirmich took Placewill The Battle of Burnock Burn when Prisoners were token & Lent To Fail to await then trial although young, I Still Remember The Shril Sound of Glass Buggle of My Brother Williams when it sounded turn out at Midnight at the crop of Kilogh two loors from ours the Lound of loors opening & Shuting along the Atreet as the Buggle Lounder & the Companies Paper allong, the Vin grew Louder as the Companies increased William has Lent it without Knoledge of this Turpose it was used for after the Redicals was Defeated at this Battle The Government took active Measures & crowd Tails & costles with Brisoners and many honest People was Caried away to Prison that has no how in this affair because of information giveny throng the the Factor of the town hoing in been befeated in I Low Suit by My Father his great Bride was hurt & he Recker his vengeone on my Fatter by informing that he was I Rebel he was taken from his Burnes & make Princes. in Hirling castle to await his trial when the Judges would come in nine weeks they came when Beard & Hardy was condemned & hung & beheard and I Great many Branished to Bolong Bay my Father wa Release without any one to bring any thing gagainst him I Remember The Day he Goul back when crowds come to Lee him I was then only I years old & my Mother took me by the Land & we met him on the Burn green outside of the town my Father has often talked of going to America bet ofter this useage he bold my Mother that he won't go if he how to burn Sailor & work his Parage before he would Stay to be dragged from his home & on Spite & no Redress he would go where be could enjoy leberty so as I mentioned in the first of this he left to find I new home like Lehi & his Family of old and although not Led by Revelotion like them the hand of the Ford was in it as we have seen since after he Junior in America theytook Land in Ballowst Vistrict the Government giveing it free but it was generally Rocky and cold of great Normber of the Emigrante Stail at their Comps to long & I vier of Flux I wither lisens and used up their Means Some left for the States others went to clear Their Land after Means was geling Jeanse but My Father & William & Mary Starles from Land their comping place to took Land Next lay and took land I Mills back in without & Boul throng Swamps & over Logs all their Bravisions & all their Loggage on their Cock The state of the s

winter with I back Load of Provisions when one Place My Father went Jeeper, than want would and sitting on the Snow Said or William we will have Juck from the Contine but when The Cork was Faitled it was projen it must have been wery Cold or the Whiskey very Atrong many Auch incevents I have heard them tell in their July Mood all the Emigrants that Came at that time had hordships to endure Past the Common Privations Suffered in New Lettlement as they were all in mos map inexperienced they could not chop and has no teem either to Loy or go to Mill or to Starow But The Foger by Stand Carie all Their Prails on their Shoulder Made Bridges Carry my The Logs & all their Log houses They would get together and from 4 to 16 men would put hunds fittes under It & cary it the Building Raising Some large Log Buildings 30 or 40 ft long in this way my Father cleared to acres & how it in crops the first year this way & continued to do So for about three or four years before we had I leem mig Brother William went to the evry Cannal & worked out & go Money and brought home I noke of two year old steer after being some three years in the country my Futher bought ast if she after four years having cleared some se arres by hond of heary timber & good Deal of hemilock carring all the Grain to Mill on Their Buck one year all the Mills was fragen up on account of A Dry full and hard winter William went to Bottoms Mill and Flaid 5 days with of brock low und then Didnet get My Father Brought A Deplacer Mill for 2 Dollars and and men ground all on it for over Dyear Thave Strekts it until Two allmost with of Tiving but before we get it we lived on winter on bitter or winded dataties which was I har thing the Dog to eat my sister Jannet took sick with the Typhes dever we first noticed after Complaining of Attiches for some worths The took Tick on Next Day told her Mother that The must go to work of her Father would be anyry to my Mother Came out & told us The never had her senses any more the lived about 3 weeks the Night before the Died they were Souring wither from I Fea Kettle on her head the said let me lie by The Midle of the Night I will be at the Top of the Still and as the said at Midnight The went to Rest During That time we could not get any Flour or Meal but we get A little Course Shorts or fine Bran the Law is that for me such stuff as that but the had no other while

after this we began to Make Rows Build Mills and the Settlers got to understand the Country but the Canada Thistle almost Run them out wheat comenced Rust & corn got frazen and we est her bread I will never forget how I hoted to est it at last I got to dick left my Father Louise before I traveled 1000 Miles on foot and got & little of The Rust Buber of to Return to my Brother William he got Maried in Januar . 1829 to A Girl Named Ann Lackey Robert Lis Son was Born April 3 1830 John was born oct 24th 1831 Jane was born Angt 21 1633 all in Vall the left but his wife being subjects to consulting fits he had I have time he clearly I form on the books of what was called Mud Lake on the Small Missishi working have timber Leavy Land Itony am the thistles growing thicker & faster after the har wood timber was cleared of So that the Reophle could not make Octach the people Thought of Leaving it good many of them this was the case with William although we had good times & hard times mixed we used to take the hounds & go to the Lakes & chare the Veer into the watter and then follow them with of Birch bash Good and then either shoot or Kill with clubs we used to go out at night with Bark Lantern along the River Banko haveing that Lantern in the front of the comol and when we would hear the Veer walking we would light the candle and Salable Course up within I few Steps the Deer could not se ung thing behind the Landern as it was open in front faceing him So that we could Shoot there nicely we used to go out in the woods and what they called Still heart this was best when there was I light Inow other times when the Snow was deep and I than Come and A crust came on the Inow we would take old watch the old hound & kill two or three is Day so we used to have sport that we like as we could always. have plenty of Ment william was & Keen hunter and Killed & great many Deer & Some Ther Game Ducks & Geest Patrige otter & C&c birt after I left and went back to winter William his wife & Children Started to the New home 500 Miles late in the fall Iwaita till Spring & then followed I I aw Jome had times that first Jumes after traveling on foot hunting & place to Lint me I comenced to clear the Land I went to & Shants 2 Miles every right for about I week to us to have company then one Aight afternion, I Shlit my foot with The axe & Run the two Miles

with the Blood Runing & then got it and up the Men all left Next day so that went of houses knees one & holf Mile to it Whorty where & Mon & his wife lived when I got The Mon went out to work for Provisions only Coming home on Saturdy Night I land Deventeen Day 500 Miles from home & 30 Miles buck in the words when I again wen told work William Me Alfrin & myself changed work we Stuck up Bark on Some Co and sleept under it when the wolves would yell all night all around us he would have Keep awake let us make fire be Twould say no Donger & go to sleep as Trough I will best bed Room haveing nothing but the bed cloths we had carried on own back I have Par 40 the on my back & traveled 50 Miles & Day for Leveral Days together all I used to es was by Bread of Clackers for Leveral weeks and when chopping in the woods we the in A fry Pan and would Some times have I little Book I had only got one week from Cult my foot the first time when I cut my offer from I mint of my Great toe and was a rexer at myself that I saw Iwould work not mother how it went and I did not look an hour it continued fore until the time could to go home to I start a Forewell I ever was home Lick but I thought if ever I got buck I would walne I home but I got over Ut & never was troubled since after Spending The winter among min old agrantance Chripping len acres of heavy timbes & criting & halling one hundr Suw Loys to Raise Mens Starter again to the west where william was Toler and Raised Some crop when in full my Father & all the Rest Count after us So now Dee we are all in warwick I Stand at home & took Jobs acasionaly of Chipping for ? 2 years when I went & looked out & place to Build & Mill y miles from where we lived and comenced by the Millinght telling me that by having 400 dollars besides what labour I could do but the Patriot was comenced my down on acount of being best before it was fini all went so that in the spring after there was it Grospert of Jesse I had to come no onew of the frame I Comenced on the 27 of March & comenced to grind on the 14 th of July howeing cost 3300 dollars line I acomplished the work and I was only it boy and their I worked in the watter and out of the watter to overcome the expense Tales It Mill Night & Day above so that all the Aleich I got was on & Jack while The hopper would hold out and by this got clear of Debt I buttet & Will and got along well haveing custom from 30 wiles Round

after ireamstance Just 2 not mention when I first went with two Irishmen to and but Road through the woods of Brooke where 3 after had the Mill I Stand at it Wheard sestehmans Annse all night when three young Girls come in the first Don't notice nor the second but when the last one come in although I neves le her before nor did ste sherek are word English Something as it were The to my understanding that is your wife I tried to court and even Morry other is as cercumstances seemed against nee Marying but could not my mind would I way Return to her & report all my calentations to at last when I got the Mill Hand writed I sent for her to Detroit Vistance las Miles and got Married on the fill of Felt von he was Born in Argile shire Scottlant town Lich gilphead oct 12, 1818

[&]quot;He shall plant in the hearts of the children the promiest made to the fathers and the hearts of the children shall turn to their fathers; if it were not so the whole earth would be utterly wasted at His coming. Doc. and Cov. in 2, 3.

of their own salvation, for we cannot be saved in the Kingdom of God without our dead relatives who died without a knowledge of the Gospel; and they cannot be saved until the ordinances are performed by us in their behalf, in the temples of the Lord, according to the plan instituted by our Redeemer in the heavens before the foundation of the world was laid." Therefore, it behooves each of us to gain our own salvation by performing these ordinances in behalf of our dead.

What Are You Doing in Behalf of Your Dead?

> Help us that we may in turn help you and the multitude of others who should be engaged in this "most glorious subject belonging to the everlasting gospel."

Are You Interested in the Saluation for the Drad?

This doctrine is the burden of the scriptures and is made obligatory to the Saints. Said the Prophet Joseph Smith, "Those Saints who neglect the salvation of their dead, do so at the peril
